## HILO CONFERENCE TAKING SHAPE RAPIDLY

[Special Star-Bulletin Correspondence]  
HILO, Sept. 6.—Everything is being put in readiness for the first territorial meeting of the commercial bodies of the islands which are to meet here this month. Although nothing definite has been announced up to the present time President Elliot of the Hilo Board of Trade is working hard on the proposition and is planning the reading of a number of special papers in addition to the other work that will come before the meeting for discussion.

The date of the meeting has been set for September 26 and there are to be four days of it. One of the most interesting papers to be read during the sessions will be that of Engineer Bishop of the Hawaii Loan Fund Commission who will take up the matter of the Administration of Highways. Albert P. Taylor, the well known Honolulu newspaperman who is secretary to the San Francisco Exposition committee will take up the matter of preparing for the Fair in 1915. Dr. Elliot is to read a paper on the abstract Problems of Self-Government which will take up the matter of the Field report. Marston Campbell will also probably be heard and H. P. Wood of the Promotion Committee.

The following committee has been appointed to take charge of the arrangements at this end. E. F. Nichols, chairman; C. F. Parsons, C. M. Lind say Watson, John T. Moir, E. N. Holmes, H. D. Corbett, W. H. Beers, R. T. Forrest, P. Bartels, H. W. Kinney, L. S. Conness and L. L. Sexton.

## FISHER HEARING

(Continued from Page 9)

not sacrifice any industry already established to establish another.

Q. Does the Japanese get more out of the land than the Hawaiian or white man?

A. I should say that the Chinaman got most.

Q. Do you believe that we ought to make that the controlling feature of the land laws.

A. I don't know.

Q. You spoke just a little while ago about Senator Fairchild's bill and the separating of the two classes of land. Do you favor a system of small leaseholds or of large leaseholds?

A. Whatever can be used to bring the most revenue.

Q. You mean the most revenue to the government.

A. Yes.

## PRATT TO TAKE EXHIBITS TO CONGRESS ON HYGIENE

Dr. J. S. B. Pratt, who will leave as Hawaii's representative at the International Congress of Hygiene and Demography at Washington, D. C., received a cable from the national capital yesterday asking that he send the wax models of the leprosy lesions possessed by the Territorial Board of Health.

These models, of wide interest in the medical world, were not shipped in the regular exhibit, which was sent forward some time ago, because of their fragility. Dr. Pratt will now have them packed, however, and accompany them East. Dr. Pratt leaves for the mainland on the Wilhelmina.

## NAT GOODWIN NURSED BY EX-LEADING WOMAN

Comedian Suffers from Bruises but Escapes Serious Injury from His Mishap on Beach

LOS ANGELES, August 20.—Nat Goodwin, the actor, who was injured Thursday night by the capsizing of a skiff in which he was attempting to make a landing through the surf off Sycamore canyon, is resting easily at his home at Ocean Front and Hart avenues.

Drs. Anderson and Thomas, who are attending him, state that his injuries consist of a severe back strain, shock and bruises, the latter chiefly on the back, abdomen and right leg. No internal injuries have developed as was at first expected, and none is anticipated. The physicians say that, without unforeseen complications, he will be able to walk about in three or four weeks. It will probably be necessary, however, to cancel his engagements in local playhouses which were to have commenced soon.

Miss Marjorie Moreland, formerly the actors leading woman and his companion on the trip on which he was hurt, is almost constantly with him. She insists on maintaining her vigil in spite of the nurses.

Nothing delights the average man more than being called out of town suddenly on business when some of his wife's folks are visiting at his home. Father Time is a great artist—as his line-work will prove.

## Cable News MAINE ELECTS REP. GOVERNOR

PORTLAND, Me., Sept. 9.—Victory perches on the Republican banner in this State as a result of the hard-fought election throughout Maine today. Haines, the Republican candidate for Governor, defeats Governor Plaisted, who sought reelection as a Democrat, by a plurality of 3340. Plaisted beat Fernald, Republican, in the former election by a plurality of 8753.

Simplicity marked the funeral rites of General Arthur MacArthur today. At the grave in Forest Home Cemetery, only the committal service of the Presbyterian church was used. There was no military salute.

Acting Attorney General Hart today instructed the United States attorney at Seattle, Wash., to agree to a reversal by the Circuit Court of Appeals of former Judge Cornelius H. Hanford's decision canceling the citizenship of Leonard Olsson, a Socialist, which resulted in the impeachment proceedings against Judge Hanford and his resignation.

The massacre of Armenians by Kurds has been resumed. Two villages in Armenia have been pillaged and twenty-eight of the inhabitants killed. Another village has been destroyed by fire.

Today's discussion in Washington of intervention in Mexico is confined almost exclusively to the question of whether United States forces should be sent across the border by President Taft without calling a special session of Congress to authorize such action. The impression that there will be intervention grows hourly.

A threatened attack of Nicaraguan rebels upon Honduras in retaliation for the friendship Honduras have shown the Diaz government, is reported in today's dispatches to the Navy Department.

The steamer Pleiades, which recently went ashore in Magdalena Bay, was floated this morning without any serious damage. The vessel was floated at high tide, and a careful examination showed that there was but a small hole in the bottom. The Pleiades had 650,000 feet of lumber on board. It will be able to reach port on its own steam, and will undergo an overhauling.

A diplomatic courier from Rome arrived at Chiasso, Switzerland, today and handed over to the Italian delegates a sealed dispatch bag containing new instructions respecting a peace settlement with Turkey. It is believed that Italy is making counter-proposals to those already presented by Turkish delegates.

Mrs. John R. McLean of Washington died in her summer home at Bar Harbor today, after being ill a week with pneumonia.

Governor Woodrow Wilson, Democratic Presidential nominee, tonight declared war on James Smith Jr., a Democratic candidate for United States Senator from New Jersey.

Dispatches reaching Casa Blanca by courier bring the news that Colonel Hangit, in command of a French column, entered Morocco City yesterday and liberated the seven Frenchmen who were held prisoners there.

One hundred persons met death and twenty others were wounded in a battle between a mutinous battalion of Russian engineers and a regiment of the Czar's infantry, according to messages received at Berlin today from St. Petersburg. The mutineers surrendered after a desperate fight.

D. L. Conkling, treasurer of Hawaii, has arrived in San Francisco from a two-month stay in the East, on his way to Honolulu. He went to New York to float \$1,250,000 worth of Territorial government bonds for public improvements. Conkling says that sentiment for President Taft is still growing in the East, and this fact is largely due to financial conditions. Business, he says, is going along without being affected in the way usual in presidential fights, and confidence in the Taft administration is becoming stronger daily.
